Dear Wendy,

On behalf of Willow, I would like to thank you for your kind donation of £500.00, given in memory of Kate Hutchinson; your generous support is greatly appreciated.

We are grateful for any support we receive, but we are particularly mindful of what an honour and privilege it is to be chosen as the charity to which donations are made in memory of someone special.

Willow is the only national charity working with seriously ill -16 to 40 year olds to fulfil uplifting and unforgettable Special Days. Days which help to create a positive experience at a time when it's most needed.

We hope it will be of some comfort to know that your kind and most generous gift will make a real difference, and will help to ensure more seriously ill young adults and their families can have a Special Day to remember.

With our thanks once again, for your thoughtful support.

Yours sincerely

Cathy White
